

Developing Windows Store Apps with HTML5 and JavaScript: The Complete Guide

Windows Store apps are a great way to reach a wide audience of users on Windows 8 and Windows 10 devices. They're easy to develop, and they can be used to create a variety of different types of applications, from games to productivity tools.

This book will teach you everything you need to know to develop Windows Store apps with HTML5 and JavaScript. We'll start with the basics, and then we'll gradually move on to more advanced topics, such as using the Windows Runtime API.
