Grace is a gift from God that we cannot earn or deserve. It is given to us freely and unconditionally. Intimacy with God, on the other hand, is something that we must pursue relentlessly. It is a journey that requires effort and commitment. But it is a journey that is worth taking, because the rewards are great.

### The Nature of Grace

Grace is the unmerited favor of God. It is a gift that He gives to us even though we do not deserve it. We are all sinners, and we have all fallen short of the glory of God (Romans 3:23). But God loves us anyway, and He offers us His grace so that we can be reconciled to Him.

Grace is not something that we can earn or deserve. It is a gift that is given to us freely. We cannot do anything to make ourselves more deserving of

grace. In fact, the more we try to earn it, the less likely we are to receive it.

Grace is not a license to sin. It is not an excuse for us to live however we want. Rather, grace is a gift that empowers us to live holy lives. When we receive God's grace, we are given the power to overcome sin and to live in accordance with His will.

## **The Pursuit of Intimacy**

Intimacy with God is not something that we can achieve overnight. It is a journey that requires effort and commitment. But it is a journey that is worth taking, because the rewards are great.

There are many things that we can do to pursue intimacy with God. We can spend time reading the Bible, praying, and worshiping Him. We can also seek out opportunities to serve others and to share our faith with them.

The pursuit of intimacy with God is not always easy. There will be times when we feel discouraged or even tempted to give up. But if we persevere, we will eventually experience the joy and peace that comes from knowing God intimately.

## **The Rewards of Intimacy**

The rewards of intimacy with God are great. When we know God intimately, we experience a deep sense of peace and joy. We are also given the power to overcome sin and to live holy lives. And we are given the assurance of eternal life.

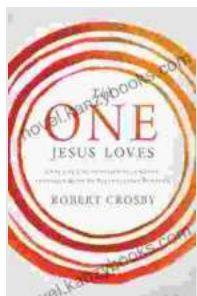

If you are not already pursuing intimacy with God, I encourage you to start today. It is a journey that is worth taking, and the rewards are great.
