In a world that is often loud and chaotic, it can be difficult to hear the voice of God. But in the stillness of our hearts, we can find His presence and His love.

Just One Word is a 90-day devotional that invites readers to experience the transformative power of Jesus' love. Each day's devotion features a single word from Scripture, along with a personal reflection, a prayer, and a journaling prompt. This devotional is designed to help readers connect with Jesus on a deeper level and to experience the fullness of His love.

The words in this devotional are not just ordinary words. They are words that have been spoken by God Himself. They are words that have the power to change our lives.

When we read these words and meditate on them, we are opening ourselves up to the power of God. We are allowing His love to flow into our hearts and to transform us from the inside out.

This devotional is not just a book of words. It is a journey. It is a journey into the depths of Jesus' love. It is a journey that will change your life.
