Nick Newton is not a genius. He's not even close. But that doesn't stop him from dreaming big. Nick wants to be a scientist, just like his hero, Albert Einstein. But when Nick's science fair project goes awry, he starts to think that maybe he's not cut out for science after all.

Just when Nick is about to give up on his dream, he meets Dr. Emily Carter, a brilliant scientist who sees something special in him. Dr. Carter encourages Nick to keep trying, even when things get tough. With Dr. Carter's help, Nick learns that intelligence is not just about test scores and grades. It's about curiosity, perseverance, and never giving up on your dreams.

Nick Newton Is Not a Genius is a hilarious and heartwarming novel that will make you believe in yourself. It's a perfect book for children of all ages, and it's sure to become a favorite.
